THREAT
RECOGNITION

CERTIFICATION TRAINING

BEFORE THE ATTACK.

The Science of Recognizing Violence Before It Happens.

RESEARCH
VALIDATED

EVIDENCE
BASED

OFFICER
SURVIVAL

ONE-DAY
CERTIFICATION

MOST OFFICERS ARE TRAINED TO RESPOND TO VIOLENCE.

FOCUS teaches officers to recognize scientifically validated pre-attack indicators before violence occurs. Built on validated behavioral science and real-world law enforcement research, this nationally recognized certification provides practical skills that improve officer safety, tactical decision-making, and threat recognition before a subject is positively identified as a threat.
